Subject: Project Update

Hey Joyce,

I just spoke with Dave Folkes and I will now be coordinating directly with you on behalf of Geosyntec. I'm really excited to be able to work with you and look forward to getting this wrapped up in a timely, cost effective manner that pleases the EPA, the state and the client.

Please let me know when would be a good time for you to chat to discuss measures moving forward.

Sincerely,

Jackie Rowley
Geologist
